2023 LODI QUILT ACADEMY CLASS DESCRIPTIONS

Class A. Sandy Creek Quilts — “The Puffer Quilt” ALL DAY CLASS

We will be making the Puffer Quilt, also called the Bubble Quilt. This quilt will add interest to any room you place it in. A puffer quilt is a type of patchwork quilt with squares of fabric that are stuffed to create lots of tiny cushions. The overall effect is impressive!

Student Supply List: Sewing machine in good working order with knowledge of how to operate, basic sewing supplies including scissors, pins, etc., fine line marker or marking tool, thread for regular piecing, rotary cutter, mat, and ruler, and ¼ inch foot if you have one for your machine.

KIT FEE \$80.00 and includes layer quilt, fabric for back of puff (not quilt backing), and Polyfil.

Maximum of 10 students.

Class B. Ardyth’s Sew N Vac — “Preparing Your Quilt For Your Longarmer”

This class is presented by Kayla Bain, from 31 Lemmons, and will be based on the necessary steps to prepare a quilt for it to be longarmed. Properly preparing your quilt will ensure your quilt can be taken the day of appointment. When you put effort, sweat, and tears (sometimes literally) into your quilt tops, take a little more time to properly prepare your quilt to ensure a successful finish.

NO KIT FEE

Class C. The Sewing Classroom — “Portfolio Project Protector”

The Portfolio Project Protector is a wonderful and convenient way to transport your in-progress project. The clear see-through front allows a fast visual with a zipper for easy access. With so many uses, you will want to create several.

NO KIT FEE

Class D. Studio R Quilts — “The Magic of Secondary Design”

Quilt blocks have a magical way of creating wonderful secondary designs in a quilt. Join Rebecca for this trunk show where she reveals tips and tricks you can use to create secondary designs in your quilt projects using one block, two blocks, or more. Leave inspired to make your own magic with secondary designs.

NO KIT FEE

Class E. Quilt Peddler — “The Many Choices We Must Make”

So many choices go into making a quilt! From choosing the pattern, fabric/color choices, quilting design, thread colors, and batting, there are a lot of decisions to be made! In this class we will talk about how I choose colors for my quilts and what to do when your top is done and you are ready to send it off to the longarmer. We will also talk about batting choices, choosing thread color for your quilting, and choosing your quilting design. I will also have a trunk show with examples of quilts for you to see.

NO KIT FEE

Class F. Blue Bar Quilts — “Finish It...With Facings”

Do you have a modern quilt that you would like to keep aesthetic? Do you have a wall hanging you want to pop? Have you always used bindings and wonder how else you might finish your projects? Facings are your answer. This technique provides a clean, finished edge to your quilt or wall hanging. Let’s get together and explore this technique. There are several facing methods and you will learn them all!

NO KIT FEE

Class G. Lucky Quilt Company — “Log Cabins Gone Wonky”

Tired of the “Straight Laced” Log Cabin Blocks? Let’s get *wonky* together with the New Creative Grids *Wonky* Log Cabin Trim Tool. The 10 inch tool puts a fun twist on a traditional block. This one is designed to work with 2-1/2 inch strips for both the logs and center squares making it precut friendly. Make quilts, totes, table runners, and more! Let’s have some fun and get *wonky* together. Tool and kits will be available at the show!

Class H. Needle-Quilting Workshop — “Wool Applique”

Are you interested in trying wool applique but not sure where to start? We’ll help you learn the basics, including the difference between wool felt and felted wool. We will discuss helpful tools and products, basic stitches to get you started, and fibers that can be used with wool. A small make and take is available for purchase.

KIT FEE \$3.00

Class I. The Sassy Farm Chicks — “Get It Together-The Sassy Farm Chicks Way!”

Tired of looking and looking for that perfect piece of fabric that you bought, or those missing notions? Join us for demonstrations of projects to organize your tools, your projects, and your stash. We’ll show you how to make things to contain your projects and organize your tools, and some handy travel organizers too. And, we’ll have great materials to organize your quilting life. Let’s get it together!

NO KIT FEE

Class J. Quintessential Quilts Reedsburg — “Woven-Table Topper” **ALL DAY CLASS**

Woven into a beautiful ring, this Jewel is a great way to frame a beautiful fussy cut center, or draw your focus to the Woven ring itself. There are so many possible ways to create your project.

Student Supply List: Sewing machine in good working order with knowledge of how to operate, basic sewing supplies including scissors, pins, etc., fine line marker or marking tool, thread for regular piecing, and rotary cutter, mat, and ruler.

KIT FEE \$68.00 and includes Woven Jewel Box Pattern, Jewel Box Gems 5 & 10 template set, and fabric for a full size table topper

Maximum of 8 students.

Class K. Millhouse Quilts — “How Will I Quilt My Quilt?”

You have finished piecing your quilt top, but how will you quilt it? What designs and techniques will you use? What are your choices? What possibilities are out there? How do you begin? You need a plan. Cindy Fenster quilter, designer, and teacher will provide you with ideas and techniques to consider in taking control of quilting your own quilt on your domestic machine. She will then help you develop a plan for how you will quilt your quilt.

NO KIT FEE

Class L. Fox Cities Quilt Company — “Sallie Tomato Crossbody Bag” **ALL DAY CLASS**

Student Supply List: Sewing machine in good working order with knowledge of how to operate, basic sewing supplies including scissors, pins, etc., fine line marker or marking tool, thread for regular piecing and coordinating three (for handles and topstitching), and rotary cutter, mat, and ruler. ***If using your own fabric, you will also need to bring 3/8 yard fabric for exterior, 1/2 yard fabric for lining, 3/4 yard Fusible Woven Interfacing (SF-101 is recommended). Additionally, you will need to purchase the pattern and hardware kit which includes the Zipper by the Yard and 1/2 inch hardware kit for \$33.00 plus tax.***

KIT FEE \$65.00 and includes pattern, cork, lining (which will be a basic contrasting fabric), Zipper by the Yard, and 1/2 inch hardware kit. The kit will be cut and ready to sew. There will be leftover cork and zipper should you want to make another bag.

Maximum of 15 students.

Class M. Charity Lab — **Choose as a class or stop in**
