LVQG President's Challenge 2024/25 - *Finish A UFO!*

We are introducing a new guild President's Challenge starting with our **September 9 meeting** in conjunction with the start of our new membership year. Here are the details:

1. **Select 1 or 2 quilting related UFO's** (unfinished objects) and bring them to the September membership meeting for Show & Tell.
2. Briefly explain what the project is.
3. Fill out a form describing the project. Forms will be provided.
4. Bring your FINISHED project(s) back to the **March 3, 2025** in-person membership meeting and show everyone! If you are doing a quilt, it needs to be completed and bound, so plan accordingly. If not a quilt, it needs to be completely finished.
5. Anyone finishing their project will be entered into a drawing for a prize.
6. Now here's the HARD part: you can bring no more than TWO UFO's! Even if you have 40, we are limiting you to TWO for this challenge.

If you are unable to bring your UFO's to the September meeting, you can bring them to the October or November in-person meetings to share.

Please join us and work on those projects!

Our goal is to provide you with motivation to finish some of these!
