

August 2025 Patchword

It's August already - the summer has been hot. The fresh air is good but thank goodness for air conditioning. Fall colors are starting to appear. 🌻🌻

Meet our Board Members (continued)

Deb Maly, Treasurer

My husband Jim and I will be married for 24 years in September. We have 4 children between us. Our oldest son lives in the Lodi area, our second son lives in Colorado, one daughter lives in Ohio and the other daughter lives in Spring Green. We have 6 grandchildren ranging from 22 years to 3 years old. The best time is spending time with our 4 children and 6 grandchildren. Most of our vacations are in Ohio or Colorado. I have been a member of the Lodi guild for around 15 years. Prior to being retired in January 2023 I worked in payroll and accounting. In the past I was treasurer for Dane Township for 10 years. My pastime enjoyment is quilting, reading, puzzles, flowers and gardening.

Jodi Bailey, Secretary

Poynette Area Public Library Director

I have two adult, married children (one lives in Madison & one in California).

I have one adorable granddaughter that is 1-1/2 years old.

When I'm not working, I enjoy spending time kayaking with my quilting friends.

Mary Vassalotti, Programs & Communication

I live in Cross Plains with my husband Paul. We have two adult children. My daughter and her husband live in Waukesha and my son, his wife and soon to be 3 year grandson live in Marion, Iowa.

I have been quilting for 45 years and also have a long arm business. Music is a huge part of my life; handbells, piano and choral.
