Everyone is so busy and the weather has been so great for being outside, that QOV will be deciding each month if they are meeting. So for June, July and August, we will send out an email to those who have asked to be on the QOV email list and see if they are interested and available to sew. We have kits already cut out if you are interested in just taking one of them and sewing at your leisure at home. If you are not on the list already, but wish to be added, please contact me at bkbender2@gmail.com. When we meet, it is the 2nd Tuesday of the month, from 9:00 to 3:00 at the Red Barn.
